2. Visit to Counterterrorism Center (CTC)

25X1

The D/S, DD/PTS, and C/PSG completed a tour of the CTC facility that includes approximately [] personnel engaged in the implementation of an ambitious operational program to combat terrorism.

3. Applicant Processing Center

25X1

Serious consideration is being given to the establishment of an Applicant Processing Center which would involve the consolidation of resources from OS, OP, and OMS at one centralized location. The [] building has been identified as a likely location for the center with implementation a possibility in FY 88.

4. D/S meetings with OS components

25X1

[] is continuing his visits with OS components and recently concluded discussions with CD's 1, 2, and 3. Dr. Lynch commented that he has found the meetings to be informative, particularly the employee feedback, and will continue with an ambitious schedule to meet with all components.
